Chairperson's Message

Hello NHPG Members,

Thanks to all who joined us at Kimball Jenkins for Empty Bowls. Every year it is a great example of how our community can show up to support one another, and we had gorgeous weather as well!

Thanks to all the fabulous volunteers who make this event possible and Vice Chair Linda for coordinating! This year, we brought in \$1,197 for the Friendly Kitchen food bank!

The meeting was productive, and we had some great discussion about ways we can improve as a group. One idea that I am excited to work on is a database of information for all the members. We will be sending out a short survey to members who have materials, kilns, clay spaces, or other connections to share with the community. I think this will be a fantastic resource to share with new potters or those interested in exploring new ways to work with clay. We are stronger and smarter together! Please be on the lookout for that survey coming out soon.

I also want to shout out the Kiln Committee for all their incredible work from the recent wood firing, it is a complicated process and their teamwork is inspiring. I am excited to have a place where we can teach others the beauty and skill of wood firing and look forward to how they continue to adapt and advance the programming!

Lastly, please join us in November for our last meeting of 2025! We will host an important election during this meeting. Our beloved treasurer and correspondence secretary, Kathy and Pam, are ready to move on. Thankfully, our candidates, Frank McGinn and Hannah Bunnell are up for the challenge!

And of course my favorite meeting activity is coming up at the next as well- the annual Pot Swap. Bring a piece of pottery wrapped up to give away and receive one in return. It's a really fun tradition and I love an opportunity to appreciate each other's craft! Last year, I got lucky and chose a beautiful oil bottle from Wendy Jackson that I use every day!

Thank you to all who make this group the cooperative community it is, I look forward to another year together!

All good things,
Wren

NHPG Community Wood Kiln

From the Wood Kiln (Nakamagama) committee:

We completed our fourth firing in October and are very pleased with the results! We are grateful to Belinda Bodnar and Eric Maglio for their guidance and leadership.

NEEDS: several wheelbarrows, heavy duty wood splitter and Silicone Carbide heavy duty kiln shelves (16x16, 24x24, 12x24). Gently used, our preference.

The kiln committee will set the calendar for 2026 in early December. We will post the dates on the guild website, Facebook and Instagram.

This coming spring we will be adding three small additions to our existing kiln sheds, to accommodate a kitchen area, storage space, and for wood storage. If you are a builder, or would like to lead a small project, please let us know. Our Corresponding Secretary will direct your response to the kiln committee.

As always donations are welcome and appreciated! Follow the doings for and about the Nakamagama on Face book and Instagram.

From Our Clerk of the Works Barbara Source

If you have shelves with these dimensions and they are in very good condition, we will be happy to make arrangements to pick them up.

If you would like to purchase them as a gift, we can arrange that for you, as a tax-deductible donation. Barbara 603-568-4731
