### Chairperson's Message

Dear NHPG Members,

A big thank you to everyone who joined us at our recent meeting at Emily's house—what a treat to gather in her beautiful home and studio space! Emily is truly a gem in our community, and we're so grateful for her hospitality.

Please take a moment to read through the meeting minutes, as we covered a lot of ground—there are *many* exciting events coming up this spring and summer, and we'd love for everyone to be involved. Check your calendars and join us!

We're also thrilled to share that we've received a \$1,500 grant from the League of NH Craftsmen to help host a special guest artist from Japan this June, during the New England Wood firing Conference. More details to come! Don't forget to follow our Instagram and Facebook pages to keep up to date on our recent firings - the Wood Kiln Committee are an amazing team!

In other news, you can sign up for a volunteer shift at the League of NH Craftsmen Fair [using the link provided here](#) volunteering in our tent for part of the day gets you free access to the fair for the rest of the day.

Lastly, if you're interested in hosting a future meeting like Emily, or have a suggestion for a new location, feel free to reach out! Our next meeting will be at Al's house in Deerfield in June (date TBD).

Best,  
Wren Morrocco  
Chair, New Hampshire Potters Guild

### Wood firing at the NAKAMAGAMA - NHPG Community Kiln- 2025

#### NEWS FROM THE KILN COMMITTEE

We had a successful second firing of the Nakamagama (Community Kiln) with 30 people, including Maureen Mills' ceramics class from UNH! Everyone was resilient and patient as we learned together about this new kiln and dealt with challenging weather. Preparations are underway for the June firing, which will be a combination open and professional firing. The June sign-up will be posted soon. We'll let you know when the link is posted on the guild website by email, Facebook and Instagram.

A workday to prepare for the next two firings will be scheduled as soon as the driveway firms up!

More details to follow about the exciting lecture/demonstration by guest artist Nozomu Shinohara, at Al Jaeger's on June 22, facilitated by Hiromi Satoh and Kiichi, supported by a grant from the League of NH Craftsmen.

## From Our Clerk of the Works Barbara Source

As we approach the three, 2025, wood firing events we are short of shelves. In the inaugural firing we pieced together what we have. Many of these shelves are old, and older still, with warping and cracks. We need some new shelves!

If you have shelves with these dimensions and they are in very good condition, we will be happy to make arrangements to pick them up. If you would like to purchase them as a gift, we can arrange that for you, as a tax-deductible donation. Barbara 603-568-4731
